- 12 The evaluation on price alteration will be conducted as follows:
 - 12.1. Where the tender award strategy is to evaluate and award per item or category, the following must apply:
 - (i) If there is an alteration on the rate but no alteration on the total for the item or category, the bidder will not be disqualified.
 - (ii) If there is an alteration on the total for the item/s without authentication, bidders will only be disqualified for alteration per item or category.
 - 12.2. Where the tender award strategy is to evaluate and award total bid offer, the following must apply:
 - (i) If there is an alteration on the rate, total for the line item, sub-total/ sum brought/carried forward for the section but no alteration on the total bid offer, the bidder will not be disqualified.
 - (ii) If there is an alteration on the total bid offer on form of offer then the amount in words must be considered or vice-versa.
 - (iii) If there is an unauthenticated alteration on the total bid offer and the amount in words is not authenticated, the bidders will be disqualified for the entire tender.
 - 12.3. Where the tender pricing schedule or bill of quantities is requesting rates/price from bidder/s without providing a total, the following will apply:
 - (i) If there is an unauthenticated alteration on the unit rate/price the bidder must be disqualified.
- 13 The price will mean an amount tendered for goods or services and included all applicable taxes less all unconditional discounts.
- 14 The tender may be rejected if the tenderer does not correct or accept the correction of the arithmetical error communicated to the tenderer by Johannesburg Water. Acceptance of the correction to the arithmetic error must be in writing.
- 15 Tenderers are allowed to offer selective items (not all items as per BOQ) where applicable. Items that are left blank will be regarded as non-offered items.
- 16 Johannesburg Water reserves the right to enter into mandated negotiations to achieve cost effectiveness with any one or more selected tenderers in accordance with Johannesburg Water's approved SCM

ACKNOWLEDGEMENT OF BID CONDITIONS

procurement policy. In such a situation, Objective Criteria of Cost Effectiveness in conjunction with section 2 (1) (f) of the PPPFA) is applicable to this tender.

- 17 Objective Criteria: Notwithstanding compliance regarding any requirements of the tender, JW will perform a risk analysis in respect of the following:
- reasonableness of the financial offer
 - reasonableness of unit rates and prices
 - the tenderer's ability or financial capacity to fulfil its obligations. The financial statements will be analysed in accordance with the uniform financial ratios and industry norms. The following ratios will be used to determine the financial stability of the company: current ratio, solvency ratio, operating profit margin and cost coverage will be assessed.

The conclusions drawn from this risk analysis will be used by JW in determining whether to accept the bid offer or to reject the bid offer. In such a case Objective Criteria of Risk Management based on the risk assessment will be used in conjunction with section 2 (1) (f) of the PPPFA).

18 JW Reservations:

JW reserves the right to award contracts and tenders at its discretion on the basis of the following

- in whole or in part.
- to more than one tenderer.
- to the highest points scoring bidder.
- to the lowest acceptable tender or highest acceptable tender in terms of the point scoring system.
- to a bidder not scoring the highest points (based on objective grounds in terms of section 2 (1) (f) of the PPPFA) (where applicable).
- not to consider any bid with justifiable reasons.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

MBD 9

12. Certificate of Independent Bid Determination MBD 9

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a per se prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

I, the undersigned, in submitting the accompanying bid:

(Bid Number and Description)

in response to the invitation for the bid made by:

(Name of Municipality / Municipal Entity)

do hereby make the following statements that I certify to be true and complete in every respect:

I certify, on behalf of: _____ that:

(Name of Bidder)

1. I have read and I understand the contents of this Certificate;
2. I understand that the accompanying bid will be disqualified if this Certificate is found not to be true and complete in every respect;
3. I am authorized by the bidder to sign this Certificate, and to submit the accompanying bid, on behalf of the bidder;
4. Each person whose signature appears on the accompanying bid has been authorized by the bidder to determine the terms of, and to sign, the bid, on behalf of the bidder;
5. For the purposes of this Certificate and the accompanying bid, I understand that the word "competitor" shall include any individual or organization, other than the bidder, whether or not affiliated with the bidder, who:
 - (a) has been requested to submit a bid in response to this bid invitation;
 - (b) could potentially submit a bid in response to this bid invitation, based on their qualifications, abilities or experience; and
 - (c) provides the same goods and services as the bidder and/or is in the same line of business as the bidder
6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium³ will not be construed as collusive bidding.
7. In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:
 - (a) prices;
 - (b) geographical area where product or service will be rendered (market allocation)
 - (c) methods, factors or formulas used to calculate prices;
 - (d) the intention or decision to submit or not to submit, a bid;

CERTIFICATE OF INDEPENDENT BID DETERMINATION

MBD 9

- (e) the submission of a bid which does not meet the specifications and conditions of the bid;
or
- (f) bidding with the intention not to win the bid.

8. In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.

9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

³ **Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.**

10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.

- The system shall support multiple customer agreements to be associated with a single customer.
- The system shall support multiple Usage Points with a meter per customer location.
- Management of Customer Contracts shall be carried out through a single online take-on web page via any standard web browser.
- The Customer Contract Management System shall accommodate the saving of incomplete contracts whilst these customers are not able to vend.
- The system shall have the ability to logical separate Usage Point data. It allows Johannesburg Water to define the logical grouping of the Usage Points and it must be possible to specify multiple hierarchical grouping levels. It reports according to the defined grouping levels and restrict user access according to the defined grouping levels.

16.3. Online Meter Engineering Operations

- The system shall have the ability to generate engineering tokens (Replacements, Clear Tampers, Clear Credit, Power Limit, Supply Group Key Change, Tariff Index Key Change) online via any standard web browser.
- Automatically issue Key Change Tokens at the Point of Sale upon first purchase by the customer
- Send engineering tokens, including "Free Issues" to any cell phone number via SMS.
- Capability to collect meter readings on an on-demand basis or a reading schedule.
- Ability to collect and store load profile data and register reads.

SCOPE OF WORK

- Shall have the capability to receive and store meter alarms and events.
- The system has the capability to track and store outcomes of subsequent actions related to alarms and events
- Shall display non-meter specific engineering tokens (Test load switch, Display KRN, Display TI, Display maximum power limit, etc.)

16.4. Online Auxiliary Account Management

- The system shall have the ability to manage customer specific auxiliary accounts online via any standard web browser. This functionality shall include the creation of auxiliary account types and the definition of the account details such as account balance and charge schedule.
- The system shall have the ability to automatically create an auxiliary account when a free issue token is supplied to a customer.

16.5. Online Meter Asset Management

- The system shall have the ability to receive meters into a store location as well as the ability to move and link meters to customer accounts.
- The system shall accommodate 13-digit STS meter serial numbers
- The system shall support multiple metering technologies i.e. Smart Metering, Automatic Meter Reading and STS (token-based prepayment).

16.6. System Security

- The system shall have the ability to define online users, user roles and user specific role processes online via any standard web browser.
- Database security governing low- and high-level database access shall be via a proven technology and applied at both database and application level.
- The system shall allow for the addition of an unlimited number of named operators.
- Security shall be adjustable to allow for individualized access to any field within the database.
- Communication between points of sale/super vendors and vending server shall be secure by making use of SSL certificates.

16.7. Transactions

- All transactions shall be itemised to such a nature that taxes, levies, standing charges, arrears free basic water, ESP benefits and services are all created through individual rows in the database.
- Any rounding errors of KL beyond the first decimal shall be recorded in the database as separate transaction rows to ensure effective reconciliation.

16.8. Vending Operation

- The system shall be capable of vending STS compliant prepayment credit and engineering tokens.
- The system shall be certified by the STS association as being Vending, Engineering and Key Change Management compliant.
- Vendors shall have the ability to perform a consumer lookup through meter number, address or name.
- The system shall be capable of allowing transaction re-prints and, without compromising the integrity of transactions and subject to appropriate security.
- The vendor shall have the ability to look up the transaction history of a relevant consumer.
- The system shall be capable of vending free water grants.
- The system shall have the ability to calculate and display cash change to the vendor.
- The system shall have the ability to interface with various Head-End systems to facilitate Thin (Smart) Prepayment.
- The system shall provide for the following types of payment
 - Cash
 - Credit Card
 - Debit Card
 - Bank Transfer

SCOPE OF WORK

16.9. Vending Management

- The system shall allow for vendor and cashier shifts to accommodate various levels of operators, thus improving security.
- The system shall allow for the automated or manual closing of shifts.
- Vendors shall have pre-defined, credit limits limiting the exposure at certain outlets. The option shall exist to update credit limits manually.
-

16.10. Tokens and Receipts

- The system shall give users the ability to easily define customized token/receipt templates.
- The system shall accommodate multiple receipts. It shall include but not be limited to auxiliaries, credit token and system receipts.

16.11. Auxiliaries

- The system shall have the ability to collect arrears from the consumer by leveraging the prepayment transaction according to a unique formula for each consumer.
- A consumer's unique collection profile shall be automatically updated by the system based on historic payments made.
- The system shall interface seamlessly with Johannesburg Water financial system to aid the transfer of debtor accounts.

16.12. Pricing Structure

- Johannesburg Water shall have the ability to customize the pricing structure at will.
- A pricing structure shall accommodate an unlimited number of tariffs, debt and charges rules and calculations.
- The system shall accommodate block tariffs with an unlimited number of KL-based blocks.
- Unique tax and fixed charges profiles shall be definable for each tariff block.
- Tax and fixed charge block independent from tariff blocks shall be definable according to monthly monetary value transacted, or KL bought.
- The system shall have the ability to set future activation dates for tariff changes. The tariff must be automatically activated at the specified date.

16.13. Online Vending

- Online vending on a PC Point of Sale shall take place through a thin client.
- The system shall allow for vending through mobile points of sale.
- Online vending from various vending partners like banks and shopping retailers shall be available.
- All messages shall be via the self-defining, open-standard XML protocol.
- The system shall support the latest version of the NRS009-6-10 XMLVend specification.
- The online transaction processing infrastructure shall have unlimited scalability with hot-swappable redundancy.
- The system shall be capable of vending free Water grants and ESP grant. The system must be able to issue all customer free allocations without the customer having to pay or buy. In other words, a zero Rand vend.

16.14. Meter Life Cycle Tracking

- The system shall track the history/location of a meter from the time it is delivered to/between stores to when it is installed at a Usage Point until it is finally scrapped.
- Accommodate at least the following location types:
 - Inventory Store
 - Usage Point
- The system shall further allow for the following modes of operation:
 - In store, inactive
 - Installed and active
 - Installed and inactive

SCOPE OF WORK

16.15. Queries Management

- The vending management system shall have a web-based query executor for displaying general query results on a grid.
- It must be possible to export the query results to a Spreadsheet.

16.16. Reporting

- The vending management system shall have the capability to interface with reporting applications supporting customizable reports.
- The following complex reports shall come standard with the vending system:
 - Management Summary
 - Transaction Summary
 - Free Basic Water
 - Zero/Low Purchase
- The database shall be accessible via standard SQL-based report writing tools like Crystal Reports.
- Design custom reports.
- The tenderer will provide an optional service where Johannesburg Water can request custom reports to be designed.
- A report will be made available, reconciling banked cash, vendor transaction and issued tokens.
- Tokens will be track per transaction point.

16.17. Geographic System Management

- The Geographical Information System shall be linked/incorporated into the prepayment database. Johannesburg Water will describe how the solution would cater for such GIS integration.
- Certain data elements in the prepayment metering system must be able to store GPS coordinates as attributes. These include the location of a meter as well as the Usage Point of a meter.

16.18. Vending Gateway

- The system should include as an additional option the capability to direct transaction requests from vending clients to different services databases.
- The transaction switch should include a billing system where different commissions for different services as well as vendors could be calculated.
- The transaction switch should include vendor credit limits that will only allow a vendor to sell services if a positive credit is maintained.
- The transactions switch should either include, as an option, or be able to integrate to an electronic fund transfer (EFT) switch to facilitate credit card payments
- The EFT option should include a secure web site for selling services.
- The transaction switch should allow for mobile points of sale to connect to it. This will be achieved by allowing various suppliers of mobile technology to integrate to the transaction switch.
- The transaction switch will allow SMS (GSM) based messages to transact with the switch.
- In addition to conventional payment methods, the system should support a voucher payment mechanism in the on-line mode of operation.
- Where the system generates its own vouchers, customizable vouchers should be printed with unique voucher numbers.
- The system should be able to reserve and expire vouchers as and when it is redeemed for resources.

16.19. Vending Channels

- The following vending channels shall be implemented
 - PC POS
 - Mobile POS
 - Mobile Phone
 - Consumer website
 - ATM
 - At any major retailer

SCOPE OF WORK

16.20. Online Retail and Vending Administration

- The system shall have the ability to manage retailer accounts online
- This includes adding, removing and editing retailers, operators, terminals, available networks and accepted payment methods.
- It shall also allow transferring and adjusting retailer funds and accepting retailer deposits.
- The system shall have the ability to add, remove and edit vouchers online.
- The system shall have an online facility for reconciling between client records, EFT records and service provider records.
- The system shall have the ability to remotely update point of sale software remotely.
- The system shall provide a facility to assign sales agents to vendors and automatically calculate the agent's commissions based on sales.
- It shall be possible to manage several vendors as a group. A dedicated web application with limited access shall be available for users to manage the vendor groups.

16.21. System Hardware

- The tenderer shall provide and install all the necessary hosted server hardware needed to operate the vending system and shall maintain and upgrade the hardware during the contract period.
- All components of the system shall operate on a standard, readily available, PC-based machine with no special modifications required to any parts. Brand-name systems will be the preferred option. The PC's will be utilised for additional purposes e.g. receipting, emails.
- POS (Point of Sale) terminals can be either PC or Mobile terminals that comply with the hardware and software requirements. These terminals shall be submitted for approval by Johannesburg Water.
- Encryption cards and security modules shall be centralised in a secure hosted central environment to ensure the security of the system.
- All servers shall have the necessary redundancy. The necessary backup facilities will also be provided. The tenderer shall provide a secondary vending site for disaster recovery purposes. The tenderer shall provide a detailed disaster recovery plan to Johannesburg Water for approval.

16.22. System Software

- The tenderer shall provide and install the necessary software and operating systems needed to operate the vending system and shall maintain and upgrade the software during the contract period.
- Ownership of all PC based software will revert to Johannesburg Water at the end of the initial contract period or in the event of contract breach. There will be no cost imposition.
- The tenderer shall be responsible for the migration from the current system to the new system.
- The tenderer shall be responsible for all licensing and upgrade cost during the contract period.
- The tenderer shall be responsible for the exporting/transferring of all data in a specified format if Johannesburg Water should change to new software at the end of the contract period.
- Should migration be necessary on the onset or during commissioning of the system, all cost is for the tenderer.
- The tenderer shall provide training on all elements of the system for all the different user groups and vendors.
- The tenderer shall provide on-site support for the initial implementation of the system and a 24 x 7 x 365 comprehensive support service and help desk for the contract period.

16.23. Arrears recovery

- There shall be a direct interface with the billing system so that arrears collected can be posted directly to the relevant account either in real-time or via batch entry at a user selectable delay on the billing system.
- The details of all arrear amounts collected, and service accounts paid for the current transaction shall be individually listed on the transaction receipt handed to the customer at the point of sale.
- Data should be imported directly from the billing system into the tenderers system where data will be managed to block and unblock consumers.

16.24. End Consumer Portal (including a Payment Gateway)

SCOPE OF WORK

- The tenderer shall provide Johannesburg Water with a module that specifically service the end consumer directly via an online portal which the end consumer should access through PC and/or mobile web browser and/or an Android application
- The End Consumer Portal should allow the end consumers to access a wide variety of features for their Usage Point
- End Consumers should be able to register via a secure password that is consumer specified.
- Upon registering, the end consumer should at a minimum supply the following information:
 - A unique username
 - Title
 - First and Last Name
 - Contact details which include email address and mobile number
- The terms and conditions for the use of the End Consumer portal shall be clearly visible and must prompt the end consumer to accept the terms and conditions before registration is completed.
- An automated activation email should be sent to the end consumer's Email which allow the consumer to activate his account before he can use the portal.
- End consumers must have the ability to update their information, reset passwords and register and update meter information.
- Through this portal end consumers registered on the Vending System and the End Consumer Portal should have the ability to:
 - View sales history
 - Pay for and receive tokens dispensed by the vending system through a Payment Gateway which should be included in the End Consumer Portal
 - View usage profiles
 - View meter readings (where applicable)
 - Display alerts
 - Display faults to the end consumer and provides the end consumer with the ability to log faults
 - Configure alert thresholds
 - An eWallet that can be used to pay for services.
- A secure Payment Gateway must be included in the solution which will allow end consumers to make secure credit card or instant-EFT payments and manage and track these payments.
- Through this portal, end consumers must have the ability to send queries about their Usage Point to Johannesburg Water by Email.

16.25. Data Ownership

- All the information on consumers and related info in the databases will remain the property of Johannesburg Water at all times and will not be disclosed as a whole or in part to any third party without the express permission of Johannesburg Water.
- Any data archived and warehoused on behalf of Johannesburg Water shall be accessible at any time by Johannesburg Water or its appointed auditor.

16.26. System communication with the Meters

- There must be 2-way communication between the system and the meter.
- Preferred communication between the system and the meter must be via IOT network (via LoRa and Sigfox)
- Purchased tokens must be sent to the meter via the IOT network.
- System must be able to send instructions to the meter.

Note: The detailed specification related to the management of contracted 3rd party vendors on behalf of the municipality. The tenderer shall be responsible for the following:

17. Evaluation

The tender will be evaluated and adjudicated in terms of the Municipal Finance Management Act (MFMA), Preferential Procurement Policy Framework Act, 2000, relevant Supply Chain Management Policy of Johannesburg Water (JW) and applicable Regulations.

Summary of Evaluation Stages:

STAGE 1: MANDATORY EVALUATION	STAGE 2: ADMINISTRATIVE EVALUATION	STAGE 3: FUNCTIONAL EVALUATION	STAGE 4: PREFERENCE EVALUATION
Tenderer to submit all mandatory requirements under this Stage. These are criterion scored as 'pass/fail' or 'yes/no' during the evaluation process. A "fail" or "no" will lead to the tenderer being disqualified and may not be considered for further evaluation or award.	These are the applicable Municipal Bidding Documents (MBD) that the tenderer's duly authorized representative must fully complete and sign and provide administrative documents such as director's and company's municipal statement or valid lease agreements which must be valid and submitted before tender award. Should the MBD authority to sign and other administrative documents not be submitted or be incomplete, the tenderer will be given three (3) days to submit or complete them after receiving a request in writing from JW, should the tenderer not comply with requirement, the tenderer may be disqualified, and may will be considered for award.	Tenderers are required to achieve a minimum qualifying score as stated in the tender document to proceed to next stage. Tenderers are required to submit the required documentary evidence which will clearly enable the bid evaluation committee to evaluate as per criteria requirements. Tenderers are encouraged to complete the provided forms in full and not to write "See attached or Refer to another part of the tender submission" where information is provided.	The tender will be evaluated on the 80/20 preference points system according to the award strategy. The Specific Goals for the tender will be stated in MBD 6.1. In MBD 6.1, the tenderer must indicate how many points they are claiming for each Specific Goal and must submit all the required supporting documentation for the points to be verified and awarded by JW. The BEC will evaluate the submitted supporting documentation and confirm Specific Goal points claimed by the tenderer. Specific goals to be allocated by the BEC will depend on verification documentation submitted. Only tenderers that have submitted applicable verification documents will be allocated Specific Goal points claimed for preferencing.

1. Stage 1: Mandatory Evaluation Criteria:

EVALUATION CRITERIA: (GATE KEEPERS)			
#	CRITERIA	DOCUMENTARY EVIDENCE	COMPLY (YES/NO)
1	Mandatory Tender Briefing Meeting		Yes
3	Signed and completed Pricing Schedule as per award and allocation strategy		Yes

NB: Bidders that fail to comply with the above mandatory requirement may not be considered further for evaluation.

2. Stage 2: Administrative Evaluation Criteria:

If locality is a specific goal in MBD6.1 – the requested documentation may not be used to allocate points for specific goals.

EVALUATION

3.Stage 3 Functionality Evaluation Criteria:

The total Weighting is 100 and the Minimum Qualifying Score is 65

The following aspects will be considered during the functional evaluation:

CRITERIA NO #	CRITERIA.	EVIDENCE	SUB-CRITERIA/CLAUSE	MAX SCORE	SCORE
1	Tenderers Experience to supply, install, configure, maintain and support STS prepaid vending system, with a combined minimum total population of 50 000 meters over a minimum of 3 years	Supporting documents required include: - Tenderer to provide reference letter/s from their client/s indicating experience in supply, install, configure, maintain and support STS prepaid vending system, with a combined minimum total population of 50 000 meters over a minimum of 3 years. - References to be provided on contactable reference letter template or on client's letterhead containing the same required details as on the contactable reference letter template. NB: Contactable reference letter must be completed by an authorised person where the tender was awarded. Confirming successful completion of work executed. Alternatively, the company letterhead may be provided if it complies with the functional requirements and confirms the criteria set out in the reference template. A separate form must be completed for each reference as a requirement in the evaluation criteria. The information provided will be verified and if found to be false or misrepresented, punitive measures will be instituted against the respective party including. blacklisting in participating in any future government tenders. The following must be completed and be available.	experience in supply, install, configure, maintain and support STS prepaid vending system, with a combined minimum total population of 50 000 meters over a minimum of 3 years Less than 3 Years' experience with a minimum total population of 50 000 meters. Submission not meeting requirements. 3 to 4 Years' experience with a minimum total population of 50 000 meters. More than 4 Years' experience with a minimum total population of 50 000 meters.	100	 0 60 100
MINIMUM QUALIFYING SCORE					60
MAXIMUM SCORE					100

EVALUATION

CRITERIA NO #	CRITERIA.	EVIDENCE	SUB-CRITERIA/CLAUSE	MAX SCORE	SCORE
Tenderers will be required to achieve a minimum score of ---60--- points for functionality to proceed for further evaluation on presentation and system demonstration. Failure to achieve a minimum score of 60 points for functionality will disqualify the tenderer.					
4	System Demonstration Tenderer to present the STS prepaid vending system in full operation on Microsoft Teams	Tenderer to present the STS prepaid vending system in full operation within their current work environment using data relevant to the tenderer existing system. To be demonstrated by the tenderer. Demonstrate the following requirements. • Demonstrate Purchase of credits • Issues Engineering Token • Show multiple STS meter types being supported • Demo Consumer Portal (View Purchase History/ Consumers profile/Usage Dashboard) • Reports (Sale transactions/Active meter report) • Dashboard (Number of meters/Sales for a period) • Support TID (Token Identifier) rollover • Tariff Management	Tenderer to present the STS prepaid vending system in full operation. Tenderer demonstrated all requirements, COMPLIANT	Yes	Yes No

Tenderer will be required to meet all minimum requirements detailed, to qualify for the pricing evaluation.

Note: It is the Tenderer's responsibility to ensure that the Contactable Reference is contactable. A reference check with the Tenderer's reference will be done for the highest scoring bidder . The Contactable Reference will have 5 working days from time of request by Johannesburg Water to confirm, in writing, the information on the Contactable Reference letter. Failure to confirm the reference by the Tenderer's reference contact within the stipulated time will result in the points for contactable reference not being allocated to the Tenderer.

4. Stage 4 Price and Preference Points Evaluation:

4.1 Pricing

The following aspects will be considered in the financial offer:

- a) Costing for all items as described in the Pricing Schedule and applicable Strategies

17. Pricing Instructions

General Pricing Instructions:

- All price(s) shall exclude Value Added Tax at the standard rate as gazetted from time to time by the Minister of Finance in terms of the Value Added Tax Act 89 of 1991 as amended. VAT will be shown separately on the Pricing Schedule/s and included in the total.
- All price(s) tendered shall include the cost of all insurances, services, labour, equipment, materials, etc. and be the net price after all unconditional discounts and settlement discount have been deducted. The net price/s shall be without any extra or additional charges to JW whatsoever.
- A firm price tender will be required for the duration of the contract, for tender evaluation and budgeting purposes.
- Should the contract be based on firm prices, no adjustment of prices will be made for the duration of the contract.

EVALUATION

- e) Should the contract be based on non-firm prices, price adjustment request including supporting documentation must be sent to JW at least 30 days before agreed adjustment interval. The agreed formula in the Pricing Adjustment formula will form the basis of the negotiation.
- f) Unconditional discounts will be taken into account for evaluation purposes but conditional discounts will not be taken into account for evaluation purposes.
- g) Estimated quantities provided in the Scope of Work are purely for evaluation purposes only and does not provide any indication of the required quantities of product/s for the duration of the contract by JW and does not provide any guarantee to the contractor whatsoever in terms of quantities required. Pricing for any additional work that may arise on the project, outside of the defined Scope of Works, will be as per price in the pricing schedule of additional work, but written approval will still be required before any additional work is carried out by the Service Provider.
- h) All pricing quoted in the Pricing Schedule/s shall be in South African Rand (ZAR) and rounded off to two decimals.
- i) The Pricing Schedule has to be completed in black ink and the Tenderer is referred to the Acknowledgement of Bid Conditions in regard to arithmetical errors and alterations, and the handling thereof.
- j) Time based fees shall be calculated by multiplying the provided unit cost rate with the actual time spent by the applicable personnel in rendering the service required by the Employer.
- k) Lump sum prices or rates shall not be adjustable with regard to changes in the law for the duration of the Contract Period of Performance.
- l) The Service Provider shall pay all taxes, duties, fees, levies and other impositions without separate reimbursement by the Employer.
- m) All activities or tasks shall be invoiced on a monthly basis, based on work successfully completed and accepted by the Employer.
- n) Any changes to the pricing schedule on the issued tender document will result in elimination, the Tenderer can however indicate in the qualifications any alternatives that they might want to offer.
- o) For non-firm prices, index/indices that will be applicable for the bid and anniversary dates thereof will be provided in the tender document and must be used by the bidder to calculate their bid to enable JW to compare like for like. The tenderer must apply at least one month before the interval date as stated in the tender document by sending a Request for Pricing adjustment together with all the supporting documentation and source data to the JW representative. The Request for Price adjustment is a request and may be negotiated with the bidder by JW.
- p) Pricing in full for rates-based rates contract, the tenderer must price for year 1, year 2 and year 3.

Alterations

The evaluation on price alteration will be conducted as follows:

Where the tender award strategy is to evaluate and award per item or category, the following must apply:

- (i) If there is an alteration on the rate but no alteration on the total for the item or category, the bidder will not be disqualified
- (ii) If there is an alteration on the total for the item/s without authentication, bidders will only be disqualified for alteration per item or category.

Where the tender award strategy is to evaluate and award total bid offer, the following must apply:

- (i) If there is an alteration on the rate, total for the line item, sub-total/ sum brought/carried forward for the section but no alteration on the total bid offer, the bidder will not be disqualified.
- (ii) If there is an alteration on the total bid offer on form of offer then the amount in words must be considered or vice-versa.
- (iii) If there is an unauthenticated alteration on the total bid offer and the amount in words is not authenticated, the bidders will be disqualified for the entire tender.

Where the tender pricing schedule or bill of quantities is requesting rates/price from bidder/s without providing a total, the following will apply:

- (i) If there is an unauthenticated alteration on the unit rate/price the bidder must be disqualified.

PROJECT SPECIFIC PRICING INSTRUCTIONS:

Tender prices must include all transport, labour, security, reporting and any equipment required.

The contract that will be entered into with the service provider is a rates-based contract and will be a rate per unit. **The quantities on the specifications are estimated and are not guaranteed to the Tenderer.** The estimated quantities multiplied by rates offered will assist Johannesburg Water determine preference ranking. The rates that will be contracted are all inclusive.

NOTE: Failure to adhere to the pricing instructions may lead to your tender being disqualified.

1.18 "Manufacture" means the production of products in a factory using labour, materials, components and machinery and includes other related value-adding activities.

1.19 "Order" means an official written order issued for the supply of goods or works or the rendering of a service.

1.20 "Project site," where applicable, means the place indicated in bidding documents.

1.21 "Purchaser" means the organization purchasing the goods.

1.22 "Republic" means the Republic of South Africa.

1.23 "SCC" means the Special Conditions of Contract.

1.24 "Services" means those functional services ancillary to the supply of the goods, such as transportation and any other incidental services, such as installation, commissioning, provision of technical assistance, training, catering, gardening, security, maintenance and other such obligations of the supplier covered under the contract.

1.25 "Supplier" means the successful bidder who is awarded the contract to maintain and administer the required and specified service(s) to the State.

1.26 "Tort" means Delict

1.27 "Turnkey" means a procurement process where one service provider assumes total responsibility for all aspects of the project and delivers the full end product / service required by the contract.

1.28 "Written" or "in writing" means hand-written in ink or any form of electronic or mechanical writing.

2. Application

2.1 These general conditions are applicable to all bids, contracts and orders including bids for functional and professional services (excluding professional services related to the building and construction industry), sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.

2.2 Where applicable, special conditions of contract are also laid down to cover specific goods, services or works.

2.3 Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.

3. General 3.1 Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.

3.2 Invitations to bid are usually published in locally distributed news media and on the municipality/municipal entity website.

4. Standards 4.1 The goods supplied shall conform to the standards mentioned in

GENERAL CONDITIONS OF CONTRACT

the bidding documents and specifications.

5. Use of contract documents and information inspection

5.1 The supplier shall not, without the purchaser's prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.

5.2 The supplier shall not, without the purchaser's prior written consent, make use of any document or information mentioned in GCC clause 5.1 except for purposes of performing the contract.

5.3 Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier's performance under the contract if so required by the purchaser

5.4 The supplier shall permit the purchaser to inspect the supplier's records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so required by the purchaser.

6. Patent Rights

6.1 The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser.

6.2 When a supplier develops documentation / projects for the municipal owned entity (MOE), the MOE shall retain ownership of any written opinion, advice, presentation or other deliverable that the supplier produces for the MOE in its tangible form on payment of all fees due, owing and payable to the supplier. The ownership of the intellectual property rights in the services, products of the services and the methodology and technology used to perform the services and all its working papers shall be retained by the supplier.

7. Performance security

7.1 Within thirty (30) days of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in SCC.

7.2 The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract.

7.3 The performance security shall be denominated in the currency of the contract, or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms:

- (a) a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or
- (b) a cashier's or certified cheque.

7.4 The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified.

8. Inspections, tests and analyses

8.1 All pre-bidding testing will be for the account of the bidder.

8.2 If it is a bid condition that goods to be produced or services to be rendered should at any stage be subject to inspections, tests and analyses, the bidder or contractor's premises shall be open, at all reasonable hours, for inspection by a representative of the purchaser or organization acting on behalf of the purchaser.

GENERAL CONDITIONS OF CONTRACT

8.3 If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.

8.4 If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the goods to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.

8.5 Where the goods or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such goods or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.

8.6 Goods and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.

8.7 Any contract goods may on or after delivery be inspected, tested or analysed and may be rejected if found not to comply with the requirements of the contract. Such rejected goods shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with goods, which do comply with the requirements of the contract. Failing such removal the rejected goods shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute goods forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected goods, purchase such goods as may be necessary at the expense of the supplier.

8.8 The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 22 of GCC.

9. Packing

9.1 The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. 13.1 The supplier may be required to provide any or all of the following services, including additional services, if any:

(a) performance or supervision of on-site assembly and/or commissioning of the supplied goods;

(b) furnishing of tools required for assembly and/or maintenance of the supplied goods;

(c) furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods;

GENERAL CONDITIONS OF CONTRACT

(d) performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty obligations under this contract; and

(e) training of the purchaser's personnel, at the supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.

13.2 Prices charged by the supplier for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.

14. Spare parts

14.1 As specified, the supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the supplier:

(a) such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and;

(b) in the event of termination of production of the spare parts:

(i) advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and

(ii) following such termination, furnishing at no cost to the purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.

15. Warranty

15.1 The supplier warrants that the goods supplied under the contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.

15.2 This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise.

15.3 The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.

15.4 Upon receipt of such notice, the supplier shall, within the period specified and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.

15.5 If the supplier, having been notified, fails to remedy the defect(s) within the period specified, the purchaser may proceed to take such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser may have against the supplier under the contract.

16. Payment 16.1 The method and conditions of payment to be made to the supplier under this contract shall be specified.

16.2 The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfilment of other obligations stipulated in the contract.

16.3 Payment shall be made within 30 days of receipt of the supplier statement, provided the statement submitted is correct and submitted to Johannesburg Water before the end of the month. The invoice for which

GENERAL CONDITIONS OF CONTRACT

payment is required must be correct, must be reflected on the statement referred to above and also be submitted by no later than the end of the month.

16.4 Payment will be made in Rands unless otherwise stipulated.

17. Prices

17.1 Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized or in the purchaser's request for bid validity extension, as the case may be.

18. Variation in contractual hours

18.1 In the event that work to be performed in terms of this contract be completed in less than the envisaged time, or in the event that the duration of such work exceeds the envisaged time pursuant to the approval by JW of an exception report referred to in clause 8 of the Scope of Work, the rate per hour payable to the contractor shall remain the same.

19. Assignment 19.1 The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.

20. Subcontracts

20.1 The supplier shall notify the purchaser in writing of all subcontracts awarded under this contracts if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.

21. Delays in the supplier's performance

21.1 Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.

21.2 If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.

21.3 The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the goods are required, or the supplier's services are not readily available.

21.4 Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 22.2 without the application of penalties.

21.5 Upon any delay beyond the delivery period in the case of a goods contract, the purchaser shall, without cancelling the contract, be entitled to purchase goods of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

22. Penalties

22.1 Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed

GENERAL CONDITIONS OF CONTRACT

goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.

23. Termination for default

23.1 The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:

(a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;

(b) if the supplier fails to perform any other obligation(s) under the contract; or

(c) if the supplier, in the judgement of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

23.2 In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner, as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.

23.3 Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.

23.4 If a purchaser intends imposing a restriction on a supplier or any person associated with the supplier, the supplier will be allowed a time period of not more than fourteen (14) days to provide reasons why the envisaged restriction should not be imposed. Should the supplier fail to respond within the stipulated fourteen (14) days the purchaser may regard the supplier as having no objection and proceed with the restriction.

23.5 . Any restriction imposed on any person by the purchaser will, at the discretion of the purchaser, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the purchaser actively associated.

23.6 If a restriction is imposed, the purchaser must, within five (5) working days of such imposition, furnish the National Treasury, with the following information:

- (i) the name and address of the supplier and / or person restricted by the purchaser;
- (ii) the date of commencement of the restriction
- (iii) the period of restriction; and
- (iv) the reasons for the restriction.

These details will be loaded in the National Treasury's central database of suppliers or persons prohibited from doing business with the public sector.

23.7 . If a court of law convicts a person of an offence as contemplated in sections 12 or 13 of the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004, the court may also rule that such person's name be endorsed on the Register for Tender Defaulters.

When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than 10 years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its own merits. According to section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website

24. Antidumping and countervailing duties and rights

GENERAL CONDITIONS OF CONTRACT

24.1 When, after the date of bid, provisional payments are required, or anti-dumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favourable difference shall on demand be paid forthwith by the supplier to the purchaser or the purchaser may deduct such amounts from moneys (if any) which may otherwise be due to the supplier in regard to goods or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which may be due to him.

25. Force Majeure

25.1 Notwithstanding the provisions of GCC Clauses 22 and 23, the supplier shall not be liable for forfeiture of its performance security, damages, or termination for default if and to the extent that his delay in performance or other failure to perform his obligations under the contract is the result of an event of force majeure.

25.2 If a force majeure situation arises, the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event.

26. Termination for insolvency

26.1 The purchaser may at any time terminate the contract by giving written notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier, provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the purchaser.

27. Settlement of Disputes

27.1 If any dispute or difference of any kind whatsoever arises between the purchaser and the supplier in connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.

27.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier may give notice to the other party of his intention to commence with mediation. No mediation in respect of this matter may be commenced unless such notice is given to the other party.

27.3 Should it not be possible to settle a dispute by means of mediation, it may be settled in a South African court of law.

27.4 Notwithstanding any reference to mediation and/or court proceedings herein,

(a) the parties shall continue to perform their respective obligations under the contract unless they otherwise agree; and

(b) the purchaser shall pay the supplier any monies due the supplier for goods delivered and / or services rendered according to the prescripts of the contract.

28. Limitation of Liability

28.1 Except in cases of criminal negligence or wilful misconduct, and in the case of infringement pursuant to Clause 6;

(a) the supplier shall not be liable to the purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier to pay penalties and/or damages to the purchaser; and

(b) the aggregate liability of the supplier to the purchaser, whether under the contract, in tort or otherwise, shall

GENERAL CONDITIONS OF CONTRACT

not exceed the total contract price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment.

29. Governing language

29.1 The contract shall be written in English. All correspondence and other documents pertaining to the contract that is exchanged by the parties shall also be written in English.

30. Applicable law

30.1 The contract shall be interpreted in accordance with South African laws, unless otherwise specified.

31. Notices 31.1 Every written acceptance of a bid shall be posted to the supplier concerned by registered or certified mail and any other notice to him shall be posted by ordinary mail to the address furnished in his bid or to the address notified later by him in writing and such posting shall be deemed to be proper service of such notice.

31.2 The time mentioned in the contract documents for performing any act after such aforesaid notice has been given, shall be reckoned from the date of posting of such notice.

32. Taxes and duties

32.1 A foreign supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the purchaser's country.

32.2 A local supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted goods to the purchaser.

32.3 No contract shall be concluded with any bidder whose tax matters are not in order. Prior to the award of a bid SARS must have certified that the tax matters of the preferred bidder are in order.

32.4 No contract shall be concluded with any bidder whose municipal rates and taxes and municipal services charges are in arrears.

33. Transfer of contracts

33.1 The contractor shall not abandon, transfer, cede assign or sublet a contract or part thereof without the written permission of the purchaser

34. Amendment of contracts

34.1 No agreement to amend or vary a contract or order or the conditions, stipulations or provisions thereof shall be valid and of any force unless such agreement to amend or vary is entered into in writing and signed by the contracting parties. Any waiver of the requirement that the agreement to amend or vary shall be in writing, shall also be in writing.

35. Prohibition of restrictive practices

35.1 In terms of section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, an agreement between, or concerted practice by, firms, or a decision by an association of firms, is prohibited if it is between parties in a horizontal relationship and if a bidder(s) is / are or a contractor(s) was / were involved in collusive bidding.

35.2 If a bidder(s) or contractor(s) based on reasonable grounds or evidence obtained by the purchaser has / have engaged in the restrictive practice referred to above, the purchaser may refer the matter to the Competition Commission for investigation and possible imposition of administrative penalties as contemplated in section 59 of the Competition Act No 89 Of 1998.

35.3 If a bidder(s) or contractor(s) has / have been found guilty by the Competition Commission of the restrictive practice referred to above, the purchaser may, in addition and without prejudice to any other remedy provided for, invalidate the bid(s) for such item(s) offered, and / or terminate the contract in whole or part, and / or restrict the bidder(s) or contractor(s) from conducting business with the public sector for a period not exceeding ten (10)

GENERAL CONDITIONS OF CONTRACT

years and / or claim damages from the bidder(s) or contractor(s) concerned.
