IMPORTANT CLARIFICATION – PAGE 4

Bidders are specifically advised to take note that Page 4 of the tender document correctly illustrates the quantities required by the Municipality.

The quantities reflected on Page 4 shall therefore be regarded as the correct quantities and must be used by all prospective bidders when preparing and submitting their bids.

The amendment contained in this erratum is intended to correct the discrepancy on Page 5 and to align Page 5 with the correctly illustrated quantities on Page 4.

Bidders are hereby reminded that, where a bidder has quoted or priced for 26 units instead of the correct quantity of 21 units, such bidder will not be disqualified solely on the basis of having priced for the incorrect quantity.

However, for purposes of the evaluation of bids, all bidders will be evaluated based on the correct quantities specified in the tender document, as clarified in this erratum.

Bidders are therefore requested to take particular note of the correct quantities reflected on Page 4, which shall be used as the basis for evaluation and comparison of prices.

GENERAL

All other specifications, terms, conditions and requirements contained in the original tender document remain unchanged.

This erratum forms an integral part of the tender document and must be read together with the original tender documentation.
