Eskom Holdings SOC Ltd ("Eskom") invites you to submit an:

**Expression of interest (EOI)** to suitably qualified suppliers and service providers specialising in corrosion prevention, cathodic protection and metallurgical engineering, with specific expertise in the design, supply, delivery, installation and commissioning of Impressed Current Cathodic Protection (ICCP) systems for the corrosion protection of reinforced concrete structures, to provide services for the Unit 1 and Unit 2 Containment Buildings at Koeberg Nuclear Power Station (Supply, deliver, install, including expansion on the manufacturing and installation specification of the design document)

The scope includes the further development and expansion of the manufacturing and installation specifications in accordance with the existing design documentation and applicable Technical Requirements Specification (TRS).

Interested suppliers and service providers should demonstrate relevant technical expertise, proven experience and the capability to provide the scope.

### Expression of interest (EOI)

This Expression of Interest (EOI) is a stand-alone information-gathering and market-testing exercise, intended only to inform and assist Eskom's further deliberation and development of a strategy for Suppliers Specialising in provision of the scope.

Queries relating to this EOI document may be addressed to the Eskom Representative.

**Name:** Andiswa Ziliso Tel no: 021 552 3818 **E-mail:** Zilisoae@eskom.co.za

Eskom has further delegated the responsibility for this EOI to the signatory of this document, whose details can be found below.

We look forward to receipt of your response.

Yours faithfully
